

# SUMMER RUSCH RUSH TO CAMP!

This Summer Day Camp program is designed for boys and girls in grade K - 8th. Summer means lots of time in the great outdoors, making memories with friends old and new, learning and trying new things, and having a blast at camp! Our experienced staff is committed to offering innovative programming to encourage imagination, growth and adventure. Don't miss out on all the fun!

Our new Counselor In Training Program will give your pre-teen a camp experience like no other! This program is for campers between the ages of 11 – 14, who are attending at least 4 weeks of summer. Campers must apply to be included in the program. If selected, your child will learn leadership, teamwork, self-confidence, and personal development through this mentorship program.

We will be continuously monitoring state and local guidelines and will adapt our program as needed to ensure the safety of all participants. We will communicate any changes to families as guidelines are updated.
