### News from the Director

We are coming close to the end of our school year. Our students have worked harder than they ever have before during these unforeseeable times. With the light at the end of the tunnel, we are looking forward to our Kids Club Summer Programs. Each year, we want to make it better than the last. Our summer programs run through until the new school year! Our goal each summer is to continue to provide a safe place where children can stay involved and play. We are looking forward to wrapping school up soon!

### Staff of the Month:

Name: Rebecca Galindo

Becca has been with the district for 5 years. She loves all things Disney, spending time with her 2 daughters, and working with her kids club children.

Thank you for your years of dedication and service to our Kids Club families!
