TO: Advisory Board of Directors

FROM: Jill Ritzman, Interim District Administrator

SUBJECT: Approve Addendum to the Master Agreement between Sunrise Recreation and Park District and Dry Creek Joint Elementary School District for Day Care Programs

RECOMMENDATION:

By motion, approve Addendum A to the Master Agreement between Sunrise Recreation and Park District and Dry Creek Joint Elementary School District regarding joint use of facilities for day care programs.

BACKGROUND

On December 21, 1996, the Sunrise Recreation and Park District (SRPD) and Dry Creek Joint Elementary School District entered into a Master Agreement regarding joint use of facilities. This master agreement guides SRPD's use of the district's school facilities for athletic programs, day care programs and other recreational activities.

DISCUSSION:

Section 12 of the Master Agreement states: *By separate agreement or exhibit to the Agreement, District shall permit Sunrise to provide for child care programs on District property.* Addendum A is the separate agreement for SRPD's day care and pre-school programs at Dry Creek, Olive Grove and Antelope Meadows elementary schools. The Addendum is general in nature, and memorializes the specific locations and facilities for the day care and pre-school programs. The Addendum does not change SRPD's current programs.

FUNDING

The day care and pre-school programs are considered an enterprise fund within the District's operating budget, generating revenues through fees to offset program delivery and some overhead costs. There are no facility use charges from the school district for use of their facilities.
