CONTRACTOR's failure to comply with state and federal child, family and spousal support reporting requirements regarding a contractor's employees or failure to implement lawfully served wage and earnings assignment orders or notices of assignment relating to child, family and spousal support obligations shall constitute a default under this Agreement.
- B. CONTRACTOR's failure to cure such default within 90 days of notice by DISTRICT shall be grounds for termination of this Agreement.

XII. BENEFITS WAIVER

If CONTRACTOR is unincorporated, CONTRACTOR acknowledges and agrees that CONTRACTOR is not entitled to receive the following benefits and/or compensation from DISTRICT: medical, dental, vision and retirement benefits, life and disability insurance, sick leave, bereavement leave, jury duty leave, parental leave, or any other similar benefits or compensation otherwise provided to permanent civil service employees pursuant to the County Charter, the County Code, the Civil Service Rule, the Sacramento County Employees' Retirement System and/or any and all memoranda of understanding between DISTRICT and its employee organizations. By entering into this Agreement, CONTRACTOR assumes sole and exclusive responsibility for any consequences, impacts or action relating to such retirement benefits that is or will be occasioned as a result of the services provided by CONTRACTOR under this Agreement. should SCERS modify or terminate retirement benefits based on CONTRACTOR's provision of services under this Agreement.

XIV. CONFLICT OF INTEREST

XVI. NONDISCRIMINATION IN EMPLOYMENT, SERVICES, BENEFITS AND FACILITIES

- A. CONTRACTOR agrees and assures DISTRICT that CONTRACTOR and any subcontractors shall comply with all applicable federal, state, and local Anti-discrimination laws, regulations, and ordinances and to not unlawfully discriminate, harass, or allow harassment against any employee, applicant for employment, employee or agent of DISTRICT, or recipient of services contemplated to be provided or provided under this Agreement, because of race, ancestry, marital status, color, religious creed, political belief, national origin, ethnic group identification, sex, sexual orientation, age (over 40), medical condition (including HIV and AIDS), or physical or mental disability. CONTRACTOR shall ensure that the evaluation and treatment of its employees and applicants for employment, the treatment of DISTRICT employees and agents, and recipients of services are free from such discrimination and harassment.

CONTRACTOR represents that it is in compliance with and agrees that it will continue to comply with the Americans with Disabilities Act of 1990 (42 U.S.C. § 12101 et seq.), the Fair Employment and Housing Act (Government Code §§ 12900 et seq.), and regulations and guidelines issued pursuant thereto.
- C. CONTRACTOR agrees to compile data, maintain records and submit

reports to permit effective enforcement of all applicable antidiscrimination laws and this provision.

- D. CONTRACTOR shall include this nondiscrimination provision in all subcontracts related to this Agreement.

XVII. INDEMNIFICATION

- A. To the fullest extent permitted by law, for work or services provided under this Agreement, Contractor shall indemnify, defend, and hold harmless DISTRICT and the County of Sacramento, their respective governing and advisory Boards, (emphasis added for clarity) officers, directors, officials, employees, and authorized volunteers and agents (collectively “Indemnified Parties”), from and against any and all claims, demands, actions, losses, liabilities, damages, and all expenses and costs incidental thereto (collectively “Claims”), including cost of defense, settlement, arbitration, and reasonable attorneys' fees, resulting from injuries to or death of persons, including but not limited to employees of either Party hereto, and damage to or destruction of property, or loss of use or reduction in value thereof, including but not limited to the property of either Party hereto, and recovery of monetary losses incurred by an Indemnified Party directly attributable to the performance of Contractor, arising out of, pertaining to, or relating to the negligence, recklessness, or willful misconduct of Contractor, its employees, Contractor's sub-consultants or subcontractors at any tier, or any other party for which Contractor is legally liable under law.
- B. The right to defense and indemnity under this Section shall initiate upon occurrence of an event giving rise to a Claim and, thereafter, upon tender in writing to Contractor. Contractor shall defend Indemnified Parties with counsel reasonably acceptable to County. Notwithstanding the foregoing, County shall be entitled, on its own behalf, and at the expense of Contractor, to assume control of its defense or the defense of any Indemnified Party in any legal action, with counsel reasonably selected by it. Should County elect to initially assume control of its defense, or the defense of any Indemnified Party, it does so without prejudice to its right to subsequently request that Contractor thereafter assume control of the defense and pay all reasonable attorneys' fees and costs incurred thereby.
- C. This indemnity obligation shall not be limited by the types and amounts of insurance or self-insurance maintained by Contractor or Contractor's sub-consultants or subcontractors at any tier.
- D. Nothing in this Indemnity obligation shall be construed to create any duty to, any standard of care with reference to, or any liability or obligation, contractual or otherwise, to any third party.
- E. The provisions of this Indemnity obligation shall survive the expiration or termination of the Agreement.

XVIII. INSURANCE

Without limiting CONTRACTOR'S indemnification, CONTRACTOR shall maintain in force at all times during the term of this Agreement and any extensions or modifications thereto, insurance as specified in Exhibit C. It is the responsibility of CONTRACTOR to notify its insurance advisor or insurance carrier(s) regarding coverage, limits, forms and other insurance requirements specified in Exhibit C. It is understood and agreed that DISTRICT shall not pay any sum to CONTRACTOR under this Agreement unless and until DISTRICT is satisfied that all insurance required by this Agreement is in force at the time services hereunder are rendered. Failure to maintain insurance as required in this agreement may be grounds for material breach of contract.

XIX. INFORMATION TECHNOLOGY ASSURANCES

CONTRACTOR shall take all reasonable precautions to ensure that any hardware, software, and/or embedded chip devices used by CONTRACTOR in the performance of services under this Agreement, other than those owned or provided by DISTRICT, shall be free from viruses. Nothing in this provision shall be construed to limit any rights or remedies otherwise available to DISTRICT under this Agreement.

- B. This Agreement is not assignable by CONTRACTOR in whole or in part, without the prior written consent of DISTRICT.

XXIV. AMENDMENT AND WAIVER

Except as provided herein, no alteration, amendment, variation, or waiver of the terms of this Agreement shall be valid unless made in writing and signed by both parties. No interpretation of any provision of this Agreement shall be binding upon DISTRICT unless agreed in writing by DISTRICT ADMINISTRATOR and counsel for DISTRICT.

XXV. SUCCESSORS

This Agreement shall bind the successors of DISTRICT and CONTRACTOR in the same manner as if they were expressly named.

Nothing in this Agreement or provision shall constitute a waiver of any of the government claim filing requirements set forth in Title 1, Division 3.6, of the California Government Code or as otherwise set forth in local, state and federal law.

XXX. TERMINATION

- A. DISTRICT may terminate this Agreement without cause upon thirty (30) days written notice to the other party. Notice shall be deemed served on the date of mailing. If notice of termination for cause is given by DISTRICT to CONTRACTOR and it is later determined that CONTRACTOR was not in default

In the event of termination under paragraph A or C above, CONTRACTOR shall be paid an amount which bears the same ratio to the total compensation authorized by the Agreement as the services actually performed bear to the total services of CONTRACTOR covered by this Agreement, less payments of compensation previously made. In no event, however, shall DISTRICT pay CONTRACTOR an amount which exceeds a pro rata portion of the Agreement total based on the portion of the Agreement term that has elapsed on the effective date of the termination.
- E. CONTRACTOR shall not incur any expenses under this Agreement after notice of termination and shall cancel any outstanding expenses obligations to a third party that CONTRACTOR can legally cancel.

XXXI. REPORTS

CONTRACTOR shall, without additional compensation therefor, make fiscal, program evaluation, progress, and such other reports as may be reasonably required by DISTRICT ADMINISTRATOR concerning CONTRACTOR's activities as they affect the contract duties and purposes herein. DISTRICT shall explain procedures for reporting the required information.

Upon DISTRICT'S request, DISTRICT or its designee shall have the right at reasonable times and intervals to audit, at CONTRACTOR's premises, CONTRACTOR's financial and program records as DISTRICT deems necessary to determine CONTRACTOR's compliance with legal and contractual requirements and the correctness of claims submitted by CONTRACTOR. CONTRACTOR shall maintain such records for a period of four years following termination of the Agreement, and shall make them available for copying upon DISTRICT'S request at DISTRICT'S expense. DISTRICT shall have the right to withhold any payment under this Agreement until CONTRACTOR has provided access to CONTRACTOR's financial and program records related to this Agreement.

XXXIII. PRIOR AGREEMENTS

This Agreement constitutes the entire contract between DISTRICT and CONTRACTOR regarding the subject matter of this Agreement. Any prior agreements, whether oral or written, between DISTRICT and CONTRACTOR regarding the subject matter of this Agreement are hereby terminated effective immediately upon full execution of this Agreement.

XXXIV. SEVERABILITY

If any term or condition of this Agreement or the application thereof to any person(s) or circumstance is held invalid or unenforceable, such invalidity or unenforceability shall not affect other terms, conditions, or applications which can be given effect without the invalid term, condition, or application; to this end the terms and conditions of this Agreement are declared severable.

Margaret Hatton
Finance Manager
Sunrise Recreation and Park District
7801 Auburn Blvd.
Citrus Heights, CA 95610

Dear Margaret:

The following represents our understanding of the services we will provide Sunrise Recreation and Park District (District):

You have requested that we audit the governmental activities, each major fund, the aggregate remaining fund information and the major funds budgetary comparison information of the District, as of June 30, 2019, and for the year then ended and the related notes to the financial statements, which collectively comprise District's basic financial statements as listed in the table of contents. We are pleased to confirm our acceptance and our understanding of this audit engagement by means of this letter. Our audit will be conducted with the objective of our expressing an opinion on each opinion unit.

Accounting principles generally accepted in the United States of America require that supplementary information, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the *Governmental Accounting Standards Board*, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the required supplementary information (RSI) in accordance with auditing standards generally accepted in the United States of America. These limited procedures will consist primarily of inquiries of management regarding their methods of measurement and presentation, and comparing the information for consistency with management's responses to our inquiries. We will not express an opinion or provide any form of assurance on the RSI. The following RSI is required by accounting principles generally accepted in the United States of America. This RSI will be subjected to certain limited procedures but will not be audited:

- Management's Discussion and Analysis
- Schedule of Contributions, Pension
- Schedule of the District's Proportionate Share of the Net Pension Liability

Supplementary information other than RSI will accompany the District's basic financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the basic financial statements and certain additional procedures, including comparing and reconciling the supplementary information to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and additional procedures in accordance with auditing standards generally accepted in the United States of America. We intend to provide an opinion on the following supplementary information in relation to the financial statements as a whole:

- Combining and individual non-major fund financial statements
- Non-major funds budgetary comparison schedules

The Objective of an Audit

The objective of our audit is the expression of opinions as to whether your basic financial statements are fairly presented, in all material respects, in conformity with generally accepted accounting principles to report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as a whole. Our audit will be conducted in accordance with auditing standards generally accepted in the United States of America and will include tests of the accounting records and other procedures we consider necessary to enable us to express such opinions. We cannot provide assurance that unmodified opinions will be expressed. Circumstances may arise in which it is necessary for us to modify our opinions or add emphasis-of-matter or other-matter paragraphs. If our opinions on the financial statements are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or to issue a report as a result of this engagement.

General Audit Procedures

We will conduct our audit in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS) and in accordance with Government Auditing Standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the basic financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to error, fraudulent financial reporting, misappropriation of assets, or violations of laws, governmental regulations, grant agreements, or contractual agreements. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

Internal Control Audit Procedures

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk that some material misstatements may not be detected exists, even though the audit is properly planned and performed in accordance with U.S. GAAS and Government Auditing Standards.

In making our risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we have identified during the audit.

Compliance with Laws and Regulations

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the District's compliance with the provisions of applicable laws, regulations, contracts, and agreements. However, the objective of our audit will not be to provide an opinion on overall compliance and we will not express such an opinion.

Management Responsibilities

Our audit will be conducted on the basis that management acknowledge and understand that they have responsibility:

- a. For the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America;
- b. For the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to error, fraudulent financial reporting, misappropriation of assets, or violations of laws, governmental regulations, grant agreements, or contractual agreements; and
- c. To provide us with:
 - i. Access to all information of which management is aware that is relevant to the preparation and fair presentation of the financial statements such as records, documentation, and other matters;
 - ii. Additional information that we may request from management for the purpose of the audit; and
 - iii. Unrestricted access to persons within the entity from whom we determine it necessary to obtain audit evidence.
- d. For including the auditor's report in any document containing financial statements that indicates that such financial statements have been audited by the entity's auditor;
- e. For identifying and ensuring that the entity complies with the laws and regulations applicable to its activities; and
- f. For adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the current year period(s) under audit are immaterial, both individually and in the aggregate, to the financial statements as a whole.

With regard to the supplementary information referred to above, you acknowledge and understand your responsibility: (a) for the preparation of the supplementary information in accordance with the applicable criteria; (b) to provide us with the appropriate written representations regarding supplementary information; (c) to include our report on the supplementary information in any document that contains the supplementary information and that indicates that we have reported on such supplementary information; and (d) to present the supplementary information with the audited financial statements, or if the supplementary information will not be presented with the audited financial statements, to make the audited financial statements readily available to the intended users of the supplementary information no later than the date of issuance by you of the supplementary information and our report thereon.

As part of our audit process, we will request from management written confirmation concerning representations made to us in connection with the audit.

Reporting

We will issue a written report upon completion of our audit of the District's basic financial statements. Our report will be addressed to the governing body of the District. We cannot provide assurance that unmodified opinions will be expressed. Circumstances may arise in which it is necessary for us to modify our opinions, add an emphasis-of-matter or other-matter paragraph(s), or withdraw from the engagement.

In accordance with the requirements of Government Auditing Standards, we will also issue a written report describing the scope of our testing over internal control over financial reporting and over compliance with laws, regulations, and provisions of grants and contracts, including the results of that

testing. However, providing an opinion on internal control and compliance will not be an objective of the audit and, therefore, no such opinion will be expressed.

We understand that your employees will prepare all confirmations we request and will locate any documents or invoices selected by us for testing.

If you intend to publish or otherwise reproduce the financial statements and make reference to our firm, you agree to provide us with printers’ proofs or masters for our review and approval before printing. You also agree to provide us with a copy of the final reproduced material for our approval before it is distributed.

Joseph J. Arch, CPA, is the engagement partner for the audit services specified in this letter. His responsibilities include supervising JJACPA’s services performed as part of this engagement and signing or authorizing another qualified firm representative to sign the audit report.

Our fees are based on the amount of time required at various levels of responsibility, plus actual out-of-pocket expenses. Invoices will be rendered every two weeks and are payable within 30 days. We estimate that our fee will not exceed \$12,900 for the audit, and \$1,500 for out of pocket expenses. We will notify you immediately of any circumstances we encounter that could significantly affect this initial fee estimate. Whenever possible, we will attempt to use the District’s personnel to assist in the preparation of schedules and analyses of accounts. This effort could substantially reduce our time requirements and facilitate the timely conclusion of the audit. Further, we will be available during the year to consult with you on financial management and accounting matters of a routine nature.

We will provide the District with the following nonattest services:

- Prepare the annual financial statements and the Annual Report of Financial Transactions to the State Controller based on information in the trial balance and other relevant information that is provided by, and is the responsibility of, management.

With respect to any nonattest services we perform, the District's management is responsible for (a) making all management decisions and performing all management functions; (b) assigning a competent individual to oversee the services; (c) evaluating the adequacy of the services performed; (d) evaluating and accepting responsibility for the results of the services performed; and (e) establishing and maintaining internal controls, including monitoring ongoing activities.

Government Auditing Standards require that we document an assessment of the skills, knowledge, and experience of management, should we participate in any form of preparation of the basic financial statements and related schedules or disclosures as these actions are deemed a non-audit service.

This agreement shall be governed by the laws of the State of California. If a dispute arises out of the audit engagement described herein and if the dispute cannot be settled through negotiations, the parties agree first to try in good faith to settle the dispute by mediation using an agreed upon mediator. If the parties are unable to agree on a mediator, the parties shall petition the state court that would have jurisdiction over this matter and request the appointment of a mediator, and such appointment shall be binding on the parties. Each party shall be responsible for its own mediation expenses and shall share equally in the mediator's fees and expenses.

During the course of the audit we may observe opportunities for economy in, or improved controls over, your operations. We will bring such matters to the attention of the appropriate level of management, either orally or in writing.

We agree to retain our audit documentation or work papers for a period of at least seven years from the date of our report.

At the conclusion of our audit engagement, we will communicate to the Governing Board the following significant findings from the audit:

- Our view about the qualitative aspects of the entity's significant accounting practices;
- Significant difficulties, if any, encountered during the audit;
- Uncorrected misstatements, other than those we believe are trivial, if any;
- Disagreements with management, if any;
- Other findings or issues, if any, arising from the audit that are, in our professional judgment, significant and relevant to those charged with governance regarding their oversight of the financial reporting process;
- Material, corrected misstatements that were brought to the attention of management as a result of our audit procedures;
- Representations we requested from management;
- Management's consultations with other accountants, if any; and
- Significant issues, if any, arising from the audit that were discussed, or the subject of correspondence, with management.

The audit documentation for this engagement is the property of JJACPA and constitutes confidential information. However, we may be requested to make certain audit documentation available to state and

federal agencies and the U.S. Government Accountability Office pursuant to District given to it by law or regulation, or to peer reviewers. If requested, access to such audit documentation will be provided under the supervision of JJACPA's personnel. Furthermore, upon request, we may provide copies of selected audit documentation to these agencies or regulators. The agency or regulator may intend, or decide, to distribute the copies of information contained therein to others, including other governmental agencies.
